Madlyn:

We have reviewed the production Key Schedule on Monday and concluded that LHBH has not been able to move from its judgment. To that end, we have drafted four proposed briefing schedules. As you will see, the proposed schedule 1 BH5 weeks from today to BH5 BS 5 weeks to respond and LHBH weeks to reply. The schedule is the motion to be heard on September 9.

BS agrees to the proposed schedule and is sending it back to us. We will provide us with your comments. Thank you.

Regards
Denise
